Great Lakes Rendezvous 2011

The Hatteras 1510 Club is planning a return trip to the Great Lakes this summer! Sandy and Amir Al Naimi have offered to coordinate a visit to the Detroit area. Tentative dates are Friday, July 22 through Wednesday, July 26, 2011. Tentative agenda for this event includes a welcome dinner and cocktail party at the historic Detroit Yacht Club. Saturday could be spent doing some sight seeing in Detroit or relaxing around the Club's pool, followed by a great dinner downtown and a visit to the casino. Sunday we will cruise to Portofino's for lunch and then go on to Put-in-Bay, Ohio. This popular destination has a lot to offer: a state park, shopping, wineries, jet skis, fishing, boating, caves, and live entertainment. We will spend Monday and Tuesday enjoying the island and cruise back to the Detroit Yacht Club on Wednesday. Transportation to Detroit is easy, and there will be accommodation recommendations for members not staying on-board a boat. During our last Great Lakes cruise, it was easy to spend the day on-board one of the member yachts and then check into a bed and breakfast close to the marinas. Don't miss a wonderful Experience!
